

GIGA W10

The premium automatic coffee machine for premium workplaces

Benefits

- Real Cold Brew at the touch of a button
- Virtually unlimited choice of speciality coffees
- Two ceramic disc grinders, two bean containers
- Premium design that raises the bar

In elegant, prestigious environments – be they for work, play or relaxation – innovation, performance and design all count. It's with this in mind that JURA created the GIGA W10. This exceptional automatic speciality coffee machine combines revolutionary technologies, such as the Cold Extraction Process and Panorama Coffee Panel, with the power of two ceramic disc grinders and an range of speciality coffees that leaves nothing to be desired. Coupled with its striking design, this makes the GIGA W10 not only the best choice for anyone who appreciates good coffee, but also an iconic design object in its own right. It blends perfectly into any premium environment in which up to 50 speciality coffees are consumed per day.

Recommended accessories

- Cup warmer with Accessory drawer
