

The future of automated retail.

Small footprint, big capacity. Explore the innovative Smart Store 600 for your locations.

Smart Store 600 Key Benefits

Enhanced Customer Experience:

Your customers will enjoy a hassle-free shopping experience by easily tapping their card to open the cabinet(s), grab their product(s), and go.

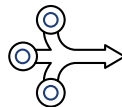

Turn-key Setup & Installation:

Easily add in or change products all at the point-of-sale (POS) to tailor planograms that meet your customer needs.

Secure & Reliable Technology:

With a **99%** accuracy, our solution uses weighted shelf technology and cameras at the POS to monitor and track items removed from the store.

Flexibility to Scale Store Size:

Start with one Smart Store 600 or scale up to 4 units connected to one POS terminal - allowing for up to 72 slots (18 per cooler).

MOST POPULAR

Smart Store 600 Duo

A 2-cabinet solution that can offer cooler or ambient options for the flexibility of your location or product mix. Freezer options available for special order.
